Fees are subject to change without notice.

There is an additional \$10 charge for NSF cheques.

Recommended herbal formulas, nutritional supplements, other naturopathic products, and laboratory diagnostic testing is not included in visit fees. You will be notified of all associated costs upon recommendation of specific health products and/or laboratory tests. Please note that you are free to choose where to purchase recommended products, but that certain professional product lines are only available through naturopathic doctors.

Naturopathic medical services are covered under many extended health care plans. Please check your policy for coverage details.

In order for us to build a healthy, responsible relationship, please plan to pay all fees at the time services are rendered. A receipt for insurance purposes will be provided when payment is received. **Appointment cancellation requires 24 hours notice.** One grace missed appointment or less than 24 hours notice cancellation will be granted per calendar year; otherwise you will be responsible to pay the full fee for the missed appointment.
