Follow up – 30 minutes	30	\$100
Follow up – 15 minutes	15	\$55

Payment is accepted by cash, personal cheque, credit card, or same day e-transfer.
There is an additional \$10 charge for NSF (insufficient funds) cheques.

Naturopathic medical services are covered under many extended health care plans. Please check your policy for coverage details. **Direct billing may be available**, depending upon your insurance provider and plan details.

Fees are subject to change without notice.

Recommended herbal formulas, nutritional supplements, other naturopathic products, and laboratory diagnostic testing are not included in visit fees. You will be notified of all associated costs upon recommendation of specific health products and/or laboratory tests where known. Please note that you are always free to choose where to purchase recommended products.

In order for us to build a healthy, responsible relationship, please plan to pay all fees at the time services are rendered. A receipt for insurance purposes will be provided when payment is received.

Appointment cancellation requires 48 hours' notice.

One grace missed appointment or less than 48 hours' notice cancellation will be granted per calendar year; otherwise you will be responsible to pay the full fee for the missed appointment.
